Hi Cathlene,

After speaking with Sen. Lassa and the League of Women Voters, we would like to request a P3 draft of the Women's Suffrage Centennial Commission. Under the section that states that a member of the commission must be chosen from the League of Women Voters, we would like to make the distinction that the member selected from the League be chosen by the governor from multiple applicants from its membership.

Simply put: We would like League of Women Voters to be able to provide multiple members that they believe would be a good fit for the commission, and then allow the governor to select someone from these applicants.

Please let me know if you have any questions or need further clarification.

Thanks!  
Michael Moran
