1     **AN ACT** *to create* 347.435 of the statutes; **relating to:** mounting a motor vehicle  
2             monitoring device to the front windshield of a vehicle.

---

***Analysis by the Legislative Reference Bureau***

This bill allows a person to operate a motor vehicle that has a monitoring and feedback device mounted to the front windshield.

Under current law, no person may drive a motor vehicle upon a highway with any object so placed as to obstruct the driver's clear view through the front windshield. This bill allows a person to operate a motor vehicle that has a monitoring and feedback device mounted to the front windshield directly above, behind, or below the rearview mirror.
