Analysis by the Legislative Reference Bureau

This bill changes certain annexation notice requirements and also changes the responsibility to receive, file, and distribute certain documents from the secretary of

SENATE BILL 569

state to the secretary of administration. In general, the bill also reduces the number of copies of some of these documents that must be filed or distributed from 7, 6, 4, or 2 copies to one copy.

Under current law, annexations in a county with a population of 50,000 or more are not valid unless the person publishing the notice of annexation mails a copy of the notice to various units of government and the Department of Administration. Under the bill, the population requirement is deleted so the notice requirement applies to all annexations.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

9 is valid unless the signature is obtained within the 60-day period following such
10 registration. The petition shall specify the proposed number of supervisors to be
11 elected. Within 14 days after the last day for filing an original petition, any other
12 petitioner may file an alternative petition with the county clerk proposing a different
13 number of supervisors to be elected, and, if the petition is valid, the alternative
14 proposed in the petition shall be submitted for approval at the same referendum. An
15 alternative petition is subject to the same registration and signature requirements
16 as an original petition. Each petition shall be in the form specified in s. 8.40 and shall

22 petitions are filed, upon determination that the petitions are sufficient, the county
23 clerk shall call a referendum concurrently with the next spring or general election
24 in the county that is held not earlier than 70 days after the determination is made.
25 The question proposed at the referendum shall be: “Shall the board of supervisors

4 separately. The first question shall be: “Shall the size of the county board of
5 supervisors of County be decreased from its current membership of members?”.
6 Any subsequent question shall be: “If so, shall the size of the board be decreased to
7 members?”. Each elector may vote in the affirmative or negative on the first
8 question and may then vote in the affirmative on one of the remaining questions. If
9 the first question is not approved by a majority of the electors voting on the question,
10 any subsequent question is of no effect. If the question is approved by a majority of
11 the electors voting on the question, or, if more than one question is submitted, if the
12 first question is approved by a majority of the electors voting on the question, the
13 board shall enact an ordinance prescribing revised boundaries for the supervisory
14 districts in the county. The ordinance shall be enacted in accordance with the
15 approved question or, if more than one question is submitted, in accordance with the
16 choice receiving a plurality of the votes cast. The districts are subject to the same
17 requirements that apply to districts in any plan enacted by the board under subd. 1.
18 If the board has determined under sub. (1) (b) to adopt staggered terms for the office
19 of supervisor, the board may change the expiration date of the term of any supervisor
20 to an earlier date than the date provided under current ordinance if required to
