3 and providing a criminal penalty.

Analysis by the Legislative Reference Bureau

This bill establishes criminal penalties and other consequences for committing fraud against the Wisconsin Economic Development Corporation (WEDC). Under the bill, no one may make or cause to be made a false statement on an application for a grant, loan, tax benefit, or other benefit or payment (benefit) from WEDC or make or cause to be made a false statement of a material fact used to determine eligibility for a benefit from WEDC.

Additionally, if a person knows of the occurrence of any event that would affect the initial or continued eligibility for a benefit from WEDC, he or she may not conceal or fail to disclose that event in order to secure a benefit from WEDC or to secure a larger benefit than he or she is entitled or eligible to receive. Finally, no one may use a benefit from WEDC that is intended for a specific use for any other use. A person who does any of these things is guilty of a Class E felony and may be imprisoned for up to 15 years, fined up to \$50,000, or both.

Also, under the bill, if a person, or the person's authorized agent on behalf of that person, intentionally commits such economic development benefits fraud, the person, including all affiliates and successors, is ineligible for economic development benefits from WEDC for seven years from the date on which the fraudulent act was committed.
