Could we get an amendment to SB 301, section 3 to read:

(3) (a) This section does not limit the authority of a political subdivision in operating a curbside recycling or commercial recycling program, **an effective recycling program under 287.11** or in designating a recycling location.

We've had a few questions come up during the committee process and I think it's best to clarify that recycling is encouraged.

Thanks and let me know if you have any questions.

-Matt
