## DOJ 2015-17 BIENNIAL BUDGET REQUEST

### DECISION ITEM 6232 – STATE JUSTICE ASSISTANCE GRANTS

#### Request

The Department requests the elimination of the appropriations and associated spending authority authorized under s. 20.455(2)(kb), 20.455(2)(cr), 20.455(2)(kj), 20.455(2)(cv), and 20.455(5)(ke), Wis. Stats. Reduce annual spending authority by \$281,600 PR-S in the appropriation authorized under s. 20.455(2)(k), Wis. Stats. Eliminate statutory earmarks for Youth Diversion (s. 165.987(1) and (3), Wis. Stats.), Beat Patrol (s. 165.986, Wis. Stats.), Child Advocacy Centers (s. 165.96, Wis. Stats.), and the Shot Spotter grant to the City of Milwaukee created through 2013 Wisconsin Act 263. -keep

The Department requests the conversion of 1.0 PR-F FTE position funded from the appropriation authorized under s. 20.455(2)(m) into 1.0 PR-S FTE, to be funded by the appropriation authorized under s. 20.455(2)(ky), Wis. Stats., and the creation of 0.1 PR-S FTE in the appropriation authorized under s. 20.455(2)(ky), Wis. Stats. This authority will be added on to the existing 1.4 PR-S FTE in 20.455(2)(ky). Increase spending authority in the appropriation authorized under s. 20.455(2)(ky) by \$90,900 PR-S in FY 16 and \$85,900 PR-S in FY 17.

Finally, the Department requests the creation a new PR-S appropriation in which to administer \$2,000,000 PR-S annually in local grants, funded partially by the Justice Information Fees authorized in s. 20.505(1)(id) and partially by the Penalty Assessment Fees authorized in s. 20.455(2)(i).

#### Background

The Department proposes eliminating earmarked grants currently administered within the Department for Youth Diversion (s. 165.987(1) and (3), Wis. Stats.), Beat Patrol (s. 165.986, Wis. Stats.), Child Advocacy Centers (s. 165.96, Wis. Stats.), and the Shot Spotter grant to the City of Milwaukee created through 2013 Wisconsin Act 263. Under current law, these formula-driven or specific earmarks are pass-through funds which are not competitive and do not have built-in accountability or any other way to assess their effectiveness.

According to the adjusted base amounts, if these funds are not redirected this elimination would save \$496,000 GPR, \$2,135,400 PR-S, and a \$281,600 PR-S expenditure that comes through the SAMSHA grant.

The Department believes that these criminal justice related funds could be put to better use by creating a state justice assistance grant program that could help fund programs that are aimed at supporting the investigation, prosecution, or prevention of crime, enhancing public safety, facilitating multi-jurisdictional or interagency information sharing relating to the justice system, supporting crime victims, reducing recidivism, or otherwise reducing crime. Possible uses of these funds could include studying questions raised by the Statewide Criminal Justice Coordinating Council or assistance in implementing their recommendations, projects of a type previously funded by declining federal Byrne/JAG funds, or competitive projects supporting child advocacy centers or diversion programs. The Department believes the state will receive greater benefit from grant programs that are competitive, transparent, and accountable. This proposal

also aligns with evidence-based decision making.

The appropriation authorized under s. 20.455(2)(ky) has 1.4 FTE positions and supports the administration of law enforcement grant programs. To administer these proposed programs, the Department requests the conversion of 1.0 PR-F position to a PR-S funded position, and the creation of 0.10 PR-S FTE. All housed within 20.455(2)(ky), these 2.5 FTE total would design grant notices, evaluate applications, and assess the effectiveness of funded programs. The classifications will be 1.0 Program and Policy Analyst-Advanced, 1.0 Grants Specialist, and 0.5 Program and Policy Analyst-Advanced.

Additionally, the Department recommends creating a new PR-S appropriation and establishing funding for this program at \$2,000,000 annually in aids to locals. In order to preserve GPR, the funding source would come from a two-part annual transfer drawing upon savings from eliminated earmarked programs. In each fiscal year of the biennium, transfer \$1,463,000 from the Justice Information Fee appropriation authorized under s. 20.505(1)(id), and transfer \$537,000 from the Penalty Assessment appropriation authorized under s. 20.455(2)(i).

To authorize the program, the Department recommends the following statutory language in addition to eliminating obsolete appropriations and creating a new PR-S appropriation for aids:

**165.[7] State Justice Assistance Grants.** (1) The department of justice shall provide justice assistance grants to state agencies, local units of government, and private organizations to support the investigation, prosecution, or prevention of crime, to enhance public safety, to facilitate multi-jurisdictional or interagency information sharing, to support crime victims, or to reduce recidivism or otherwise reduce crime.

(2) In consultation with local law enforcement, district attorneys, the secretary of the department of corrections, the director of state courts, and the state public defender, the department of justice shall develop and periodically update a strategic plan for state justice assistance grants.

(3) The department shall give preference to grant-funded programs that contain at least one of the following characteristics:

- (a) The grant-funded program has a primarily statewide or regional impact on the investigation, prosecution, or prevention of crime and is consistent with strategic plan developed under sub. (2);
- (b) The grant-funded program has a primarily local impact on the investigation, prosecution, or prevention of crime, is capable of being measured for effectiveness, and is consistent with the strategic plan developed under sub. (2);
- (c) The grant-funded program supports the investigation, prosecution, or prevention of crimes against children, domestic violence, or sexual assault; or
- (d) The grant-funded program is designed to facilitate multi-jurisdictional or interagency information sharing that will assist in the investigation, prosecution, or prevention of crime.
- (e) The grant-funded program is designed to reduce recidivism or otherwise reduce crime and is capable of being measured for effectiveness.

(4) The department of justice shall develop criteria and procedures for use in selecting grantees and administering the grant program. Notwithstanding s. 227.10, the criteria and procedures need not be promulgated as rules under ch. 227. Any recipient that receives a grant under this subsection shall comply with state audits and any other criteria specified by the department of justice in awarding the grant.
