Decision Item (DIN) - 7500

Decision Item (DIN) Title - Consolidation of Agency Services Appropriations

NARRATIVE

The department requests the transfer of spending and position authority in appropriations s. 20.505 (1) (ke), Stats, Telecommunications services; state agencies; veterans services, to appropriation s. 20.505 (1) (kL), Stats., Printing, mail, communication and information technology services; agencies.

Telecommunications services to state agencies are currently budgeted to a separate appropriation, s. 20.505 (1) (ke), Stats. These services have traditionally been analog-based and readily distinguishable from the data-based information technology services provided by the Department to state agencies. As telecommunications services are becoming more data-based, the services are becoming more associated with the data-based, information technology services provided by the Department and more appropriately included s. 20.505 (1) (kL), Stats. This item transfers spending and position authority from s. 20.505 (1) (ke), Stats., to s. 20.505 (1) (kL), Stats, to better reflect on-going changes in telecommunications technology.

Subject: Draft changes

Hi Rick,

I have changes on two of my drafts that will hopefully be relatively small (at least in the grand scheme of things):

1. For the consolidation of agency services appropriations draft (LRB-0337), Section 9201(1) should also provide for the transfer of assets in the appropriation under s. 20.505(1)(ke). Though relatively small, the assets and unencumbered balance would all be transferred to (1)(kL) on the effective date of the budget bill.
2. The Building Trust Fund draft (LRB-1039) should be adjusted so that the secretary may transfer \$3 million from the unencumbered balance of appropriation (1)(kc) before July 1, 2016. The intent of this change would be to provide a one-time transfer to the building trust fund of a set amount in fiscal year 2015-16 only.

Please let me know if you have any questions or would like to discuss. I will be periodically checking email, otherwise I'm usually in the office around 8am.

Thanks!

Sasha
