FOR 2015-2017 BUDGET — NOT READY FOR INTRODUCTION

1 **AN ACT ...; relating to:** the budget.

Analysis by the Legislative Reference Bureau

CORRECTIONAL SYSTEM

JUVENILE CORRECTIONAL SYSTEM

Current law requires DOC to supervise the administration of juvenile delinquency-related services, to allocate to counties various state and federal moneys to pay for those services (commonly referred to as “youth aids”), to develop standards for the development and delivery of those services, and to provide consultation and technical assistance to counties in the implementation and delivery of those services. Current law also requires each county annually to submit its final budget for those services to DOC and to enter into a contract with DOC for the allocation of youth aids moneys. In addition, current law requires all juvenile delinquency-related services purchased by a county to meet standards established by DOC and requires contracts for the purchase of those services to be written in accordance with rules and procedures established by DOC. Finally, current law defines “department,” for purposes of administration of the Juvenile Justice Code, to mean DOC.

This bill sets the amounts of youth aids to be allocated to counties in the 2015-17 fiscal biennium. The bill also, effective on January 1, 2016, transfers from DOC to DCF the responsibility for allocating youth aids to counties and for supervising the administration of community-based juvenile delinquency-related services, which the bill defines as juvenile delinquency-related services other than

juvenile correctional services provided for juveniles who are being held in a juvenile detention facility or who have been adjudged delinquent, placed under the supervision of DOC, and placed in a juvenile correctional facility, the Serious Juvenile Offender Program, or on aftercare supervision administered by DOC. As such, the bill transfers from DOC to DCF the responsibility for developing standards for the development and delivery of community-based juvenile delinquency-related services and for providing consultation and technical assistance to counties in the implementation and delivery of those services. In addition, the bill requires each county annually to submit its final budget for community-based juvenile delinquency-related services to DCF and to enter into a contract with DCF for the allocation of youth aids moneys, requires all community-based juvenile delinquency-related services purchased by a county to meet standards established by DCF, and requires contracts for the purchase of those services to be written in accordance with rules and procedures established by DCF. Finally, the bill redefines “department,” for purposes of administration of the Juvenile Justice Code, to mean DCF, except with respect to juvenile correctional services provided by DOC.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
