1 AN ACT ...; relating to: the budget.

*Analysis by the Legislative Reference Bureau*

**INSURANCE**

The Health Insurance Risk-Sharing Plan (HIRSP), which provided health insurance coverage to persons covered under Medicare because they were disabled, persons who tested positive for human immunodeficiency virus (HIV), persons who were refused coverage, or coverage at an affordable price, in the private health insurance market because of their mental or physical health condition, and persons (called “eligible individuals” in the statutes) who did not have health insurance coverage, but who had been covered under certain types of health insurance coverage (creditable coverage) for at least 18 months in the past, was dissolved. Coverage under HIRSP was finally terminated for all individuals on March 31, 2014. Two appropriations to OCI provide funding for the affairs of HIRSP and winding up the affairs of HIRSP. This bill repeals those two appropriations.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

2 SECTION 1. 20.145 (5) of the statutes is repealed.

Let me know if you would prefer to repeal s. 895.514 (3) (b). There may be no possibility that the HIRSP Authority will have any more expenses, and the Authority may have no remaining funds.
