Under current law, DHS operates the Mendota Juvenile Treatment Center, which is located on the grounds of the Mendota Mental Health Institute. The center provides psychological and psychiatric evaluations and treatment for juveniles whose behavior presents a serious problem to themselves or others in other juvenile correctional facilities and whose mental health needs can be met at the center. Currently, DOC is required to transfer \$2,707,100 in fiscal year 2013-14 and \$2,772,800 in fiscal year 2014-15 from its juvenile correctional services appropriation account to DHS for services for juveniles placed at the center. This bill requires DOC to transfer to DHS from that appropriation account \$2,929,200 in fiscal year 2015-16 and \$2,997,600 in fiscal year 2016-17 for those services.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
