Emily Ley:

As instructed, this draft eliminates various grant programs. One of the instructions for this draft was to “eliminate all remaining funding for non-bondable ag nonpoint grants under s. 20.370 (6) (aa).” That item is not included in this version of the draft because, as we discussed, I did not understand that part of the drafting instructions. When you have more information on that item, I will redraft to include that additional item. Let me know if you have any questions about this draft.

Emily Ley:

As instructed, this draft eliminates various grant programs. One of the instructions for this draft was to “eliminate all remaining funding for non-bondable ag nonpoint grants under s. 20.370 (6) (aa).” That item is not included in this version of the draft because, as we discussed, I did not understand that part of the drafting instructions. When you have more information on that item, I will redraft to include that additional item. Let me know if you have any questions about this draft.

Emily:

Do you want me to draft this as a new draft or do you want me to redraft LRB-0801 to add these new items? If I redraft LRB-0801, the draft will not reflect the new tracking number. Is that okay?

Thanks.
