Analysis by the Legislative Reference Bureau
COMMERCE AND ECONOMIC DEVELOPMENT
BUSINESS ORGANIZATIONS AND FINANCIAL INSTITUTIONS

Under current law, DFI regulates state-chartered banks, savings and loan associations, savings banks, and certain operations of the securities industry in this state. DFI also reviews and files charters, articles of incorporation, and other documents of business organizations and registers and oversees the mortgage banking industry. Finally, DFI oversees Uniform Commercial Code filings in this state and administers the Wisconsin Consumer Act.

This bill transfers all of the functions of DFI, including functions of the Division of Banking and the Division of Securities, to the Department of Financial Institutions and Professional Standards (DFIPS). Additionally, this bill transfers the Office of Credit Unions to DFIPS. The bill also reduces, from \$325,000 to \$150,000, an annual transfer of funds from DFIPS to the Office of the Secretary of State.

ECONOMIC DEVELOPMENT

Under current law, DOA administers disabled veteran-owned business certifications, woman-owned business certifications, and minority business

certifications that are designed to encourage the creation and foster the growth of Wisconsin businesses owned by women, disabled veterans, or minorities. A business that qualifies for and maintains one of those certifications may be eligible to receive certain advantages bidding on public projects and other benefits. This bill transfers the administration of those certifications to DFIPS.

Also under current law, there is attached to DOA a Small Business Regulatory Review Board, which is tasked with reviewing and making reports concerning proposed administrative rules that may have an economic impact on small businesses. The Small Business Regulatory Review Board is advised by the Office of Business Development, which is also attached to DOA. The bill transfers the Small Business Regulatory Review Board and the Office of Business Development from DOA to DFIPS.

EDUCATION

OTHER EDUCATIONAL AND CULTURAL AGENCIES

Under current law, the Educational Approval Board (EAB), which is attached to the TCS Board, inspects and approves private trade, correspondence, business, and technical schools. The EAB also issues permits to, and regulates, persons who solicit students for enrollment in these schools. The EAB also performs certain functions related to the preservation of student records at closed schools. The EAB also has certain consumer protection functions related to deceptive practices involving institutions of higher education.

This bill eliminates the EAB. The bill eliminates some current functions of the EAB, transfers some functions to a new agency, the Department of Financial Institutions and Professional Standards (DFIPS), and transfers some functions to DATCP. Under the bill, DFIPS must, upon application, issue written authorization to a proprietary school if the school meets requirements established by rule by DFIPS. One requirement is that the school must have accreditation recognized by the federal Department of Education or by the Council for Higher Education Accreditation. The EAB's record preservation functions are also transferred to DFIPS. Certain consumer protection functions of the EAB are transferred to DATCP.

HEALTH AND HUMAN SERVICES

OTHER HEALTH AND HUMAN SERVICES

The bill transfers oversight of tattooing, body piercing, and tanning from DHS, which currently regulates those areas, to DFIPS.

SAFETY AND PROFESSIONAL SERVICES

Under current law, DSPS and the various boards and councils attached to DSPS regulate professional licensure and buildings and safety in Wisconsin. This bill eliminates DSPS and transfers all of its functions to DFIPS. The bill attaches to DFIPS the various boards and councils attached to DSPS under current law.

BUILDINGS AND SAFETY

Under current law, DSPS administers the laws regulating private on-site wastewater treatment systems. Generally, a private on-site wastewater treatment system is a sewage treatment and disposal system serving a single structure with a

septic tank and soil absorption field located on the same parcel as the structure. Current law also requires certain local governmental units to enact ordinances regulating private on-site wastewater treatment systems.

This bill transfers DSPS's responsibilities with respect to administration of the laws regulating private on-site wastewater treatment systems to DNR, except that the bill eliminates a grant program for individuals and businesses served by failing private on-site wastewater treatment systems.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
