1 **AN ACT ...; relating to:** relating to: Elimination of the Department of Safety and
2 Professional Services and transfer of its certain functions to the Department of
3 Financial Institutions, Insurance, and Professional Standards.

Analysis by the Legislative Reference Bureau

SAFETY AND PROFESSIONAL SERVICES

Under current law, DSPS and the various boards and councils attached to DSPS regulate professional licensure and buildings and safety in Wisconsin. This bill eliminates DSPS and transfers all of its functions to the Department of Financial Institutions, Insurance, and Professional Standards (DFIIPS). The bill attaches to DFIIPS the various boards and councils attached to DSPS under current law.

BUILDINGS AND SAFETY

Under current law, DSPS administers a program to provide grants to individuals and businesses who are served by failing private on-site wastewater treatment systems. This bill eliminates that grant program.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

****NOTE: The request for this draft included a request to exempt hospices from plan review conducted by DSPS because DHS conducts those reviews under s. 50.92. But s. 50.92 does not authorize or require DSPS to conduct plan reviews. It requires DHS to inspect or investigate a hospice prior to licensing. Consequently, this provision does not include a cross-reference to s. 50.92. Please let me know if you think additional drafting is needed on this issue.
