36.11 (1p) BONDS. (a) *Issuance.* The authority may issue bonds for any corporate purpose. All bonds are negotiable for all purposes, notwithstanding their payment from a limited source.

(b) *Bonds not public debt.* 1. The state is not liable on bonds issued by the authority and the bonds are not a debt of the state. All bonds shall contain a statement to this effect on the face of the bond. A bond issue does not, directly or indirectly or contingently, obligate the state or a political subdivision of the state to levy any tax or make any appropriation for payment of the bonds. Nothing in this paragraph prevents the authority from pledging its full faith and credit to the payment of bonds.

2. Nothing in this chapter authorizes the authority to create a debt of the state, and all bonds issued by the authority are payable, and shall state that they are payable, solely from the funds pledged for their payment in accordance with the bond resolution authorizing their issuance or in any trust indenture or mortgage or deed of trust executed as security for the bonds. The state is not liable for the payment of the principal of or interest on a bond or for the performance of any pledge, mortgage, obligation or agreement that may be undertaken by the authority. The breach of any pledge, mortgage, obligation or agreement undertaken by the authority does not impose pecuniary liability upon the state or a charge upon its general credit or against its taxing power.

(c) *State pledge.* The state pledges to and agrees with the bondholders, and persons that enter into contracts with the authority under this chapter, that the state will not limit or alter the rights vested in the authority by this chapter before the authority has fully met and discharged the bonds, and any interest due on the bonds,
