1 INSERT A

COMMERCE AND ECONOMIC DEVELOPMENT

Under current law, WEDC is an authority, which is a public body corporate and politic, that has as its primary function the development, implementation, and administration of economic development programs in Wisconsin. Also under current law, WHEDA is an authority whose primary function is to establish and administer housing programs in Wisconsin, especially housing programs for persons and families of low and moderate income. Like WEDC, WHEDA is also tasked with developing, implementing, and administering economic development programs in the state.

This bill eliminates WEDC and WHEDA and merges their functions into a new authority to be known as the Forward Wisconsin Development Authority.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
