1 AN ACT...; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES ✓

OTHER HEALTH AND HUMAN SERVICES ✓

Under current law, DHS must, by the first October 1 after the start of each fiscal year, estimate the total amount of its expenditures for department operations for that fiscal year. Based on that estimate, DHS assesses certain health care providers, other than hospitals and ambulatory surgery centers, for the estimated total amount, less certain amounts received for administrative purposes. This bill eliminates the authorization for DHS to charge assessments to health care providers.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 20.435 (1) (hg) of the statutes is amended to read:

3 20.435 (1) (hg) *General program operations; health care information.* The

4 amounts in the schedule to fund the activities of the department of health services

1 under ch. 153, to contract with the data organization under s. 153.05 (2r), and to
 2 make payments to a corporation under s. 153.81 to support health information
 3 exchange. The contract fees paid under s. 153.05 (6m) and assessments paid under
 4 s. 153.60 shall be credited to this appropriation account.
