Under current law, if an agency to which a report of child abuse is made determines that a child is in need of services, the agency must offer to provide appropriate services or make arrangements for the provision of services. This bill appropriates general purpose revenues to DCF to purchase or provide treatment and services for children who are the victims, or who are at risk of becoming the victims, of sex trafficking. The bill requires DCF to ensure that that treatment and those services are available to children in all geographic areas of the state, including both urban and rural communities.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

2 SECTION 1. 20.437 (1) (e) of the statutes is created to read:  
3 20.437 (1) (e) *Services for sex trafficking victims.* The amounts in the schedule

\*\*\*\*NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.

Hi Gordon, thanks for the draft...we just had a couple requests on it:

- 1) Would you please delete the phrase "or who are at risk of becoming the victims"...there will be enough youth to serve who are victims.
- 2) DCF raised the concern that the last sentence suggests that they have to provide services to all kids who need it (like a sum sufficient appropriation), but won't have the funds to do so. They suggest something like: Children in all geographic areas of the state, including both urban and rural communities, shall be eligible for consideration of treatment and services under this section.

Thanks!
