 ****NOTE: Allowing expenditure for children's services under s. 20.435 (4) (wm) does not work because that is a sum sufficient appropriation. Assuming that you don't want to expend from the Medical Assistance trust fund enough for elimination of the waiting list for children's services but just want any excess moneys to be used for reducing waiting lists, a sum sufficient appropriation is not appropriate for this purpose and appropriation types should not be mixed. Therefore, since the sub. (4) (x) appropriation was a continuing appropriation, I added the expenditure authority for the excess state share to that appropriation. Please review to ensure that this meets your intent.
