Mike:

I would like to draft one or two amendments to SB 13 please! If you can do these things in one, great—if not 2 is just fine. Please let me know if you need any more information. The public hearing on these bills will be next Wednesday, and I would love to have them before then, please. Thanks!

1. An amendment that would allow the Pharmacy Exam Board to expand licensure to all types of Home Medical Equipment.
2. Require HME providers to maintain a physical location in the state.
