Subject: RUSH REQUEST: Amendment to SB 81

Hi Rick and Marc,

Hope all is well with you. My boss would like to draft an amendment to SB 81 for tomorrow's floor debate in the Assembly. Please find drafting instructions below and feel free to call with any questions.

Amendment 1 (simple): Allow municipalities the ability to create new occupational licenses with the approval (or a waiver from) DSPS. Require that DSPS would have to approve or reject the request within 30 days from when the request is submitted to the department.

Again, if this is too vague, please call with any clarifying questions. Thanks for your help on this.
