Rick,

I'm not sure who used to cover HIRSP on your team. Could you forward this to whomever would draft this? We are looking to extend the date at which the appropriations would sunset for HIRSP by 12 months to give time to send out reimbursements to the former recipients.

Thank you.

AN ACT ...; relating to: extending the date for the repeal of two appropriations

to the office of the commissioner of insurance and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill extends the appropriations for winding up the affairs of the Health Insurance Risk-Sharing Plan (HIRSP) by one year.

HIRSP, which provided health insurance coverage to certain persons, was dissolved, and coverage under HIRSP was finally terminated for all individuals on March 31, 2014. Two appropriations to ~~OC~~ that provided funding for the affairs of HIRSP and winding up the affairs of HIRSP were repealed, effective January 1, 2016, in the 2015-16 biennial budget act. This bill changes the date of the repeal of those appropriations to January 1, 2017.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
