

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3425/P1dn
GMM:amn

October 7, 2015

Representative Hutton:

In addition to making the changes requested in the drafting instructions, this draft also corrects an inaccurate and not very straightforward reference in the statutes relating to sex offender registration of juveniles from another state that are in this state under the Interstate Compact on the Placement of Children or the Interstate Compact for the Placement of Children.

Specifically, the current reference is to “a juvenile ... from another state pursuant to the interstate compact on the placement of juveniles under s. 938.988.” Section 938.988, in turn, refers to ss. 48.988 and 48.989, which is the Interstate Compact on the Placement of Children, and to s. 48.99, which is the Interstate Compact for the Placement of Children (which will take effect when 23 more states adopt it). As such, s. 938.988 is merely a “signpost” to those compacts and not the actual compacts themselves. Accordingly, this draft replaces that reference with references to the statutes that actually create those compacts, *i.e.*, ss. 48.988, 48.989, and 48.99.
