ANALYSIS

**Statutes interpreted:**

ss. 442.04, 442.05, 442.08, Stats.

**Statutory authority:**

ss. 15.08 (5) (b), 227.11 (2) (a), 442.087 (3), Stats.

**Explanation of agency authority:**

Pursuant to ss. 15.08 (5) (b), and 227.11 (2) (a), Stats., the Accounting Examining Board (Board) is empowered by the legislature to promulgate rules that will provide guidance within the accounting profession and that interpret the statutes it enforces or administers. An express grant of rule writing authority with regard to peer review is found in Section 442.087 (3), Stats. The Board seeks to promulgate rules that will provide guidance within the profession with regards to the qualifications for certification and licensure, qualifications for examination, and requirements for peer review.

**Related statute or rule:**

None.

**Plain language analysis:**

The Accounting Examining Board undertook a comprehensive review of the rules governing accounting practice in Wisconsin. During the time the Board was conducting its review legislation passed that greatly impacted becoming a certified public accountant in Wisconsin. 2013 Wisconsin Act 21 affected the accreditation standard within the rules. Before Act 21, applicants for a certified public accountant certificate were to have received a bachelor's degree from an institution accredited by the Commission on Institution of Higher Education of the North Central Association of Colleges and Schools or its regional equivalence. 2013 Wisconsin Act 21 changed the accreditation standard to include institutions of higher education that are accredited by an accrediting agency recognized by the secretary of the federal Department of Education. The proposed rule would eliminate all references to the former accreditation body and update pertinent provisions with the new accreditation standard.

2013 Wisconsin Act 210 modified the qualifications for sitting for the accountancy exam. Before Act 210, individuals had to complete 150 semester hours of education and possess a baccalaureate degree or higher before taking the exam. Act 210 reduced the number of required semester hours of education from 150 to 120 semester hours and eliminated the baccalaureate or higher degree as a requirement to take the exam. The proposed rule will amend the affected provisions to implement this statutory change.

The Accounting Examining Board decided to adopt the American Institute of Certified Public Accountants (AICPA) Code of Professional Conduct, which has been adopted into the administrative rules by the Attorney General in keeping with Wis. Stats. § 227.21(2). The proposed rule amended s. Accy 1.102 by striking outdated language. The proposed rule also amended s. Accy 1.401 (2) (a), by clarifying that the certified public accountant's working papers are the property of the accountant. The proposed rule incorporated language from the Uniform Accountancy Act Model Rules regarding firm

names. Finally the proposed rule also updated the peer review chapter with new terms, and adopted the Uniform Accountancy Act Model Rules language regarding firm names.

**Summary of, and comparison with, existing or proposed federal regulation:**

None.

**Comparison with rules in adjacent states:**

**Illinois:** Illinois requires 150 college or university semester hours with an accounting concentration to be admitted to take the certified public accountant examination. The 150 hours must include a baccalaureate or higher degree conferred by an academic institution acceptable to the Board. 225 ILL COMP. STAT. 450/3. The Board recognizes institutions of higher education accredited by a regional accrediting association recognized by the Council for Higher Education Accreditation or the U.S. Department of Education. The Board also recognizes business schools accredited by the Association of Advance Collegiate Schools of Business or the Association of Collegiate Business Schools and Programs. 23 Ill. Adm. Code 1400.90 (c) (2) (H).

**Iowa:** Qualifications for a certificate as a certified public accountant in Iowa includes completion of at least 150 semester hours of college level education and receiving a baccalaureate or higher degree by a college or university recognized by the Board. Iowa Code §542.5 (7). The Board recognizes institutions accredited by the American Assembly of Collegiate Schools of Business. 193A IAC 3.2. Other qualifications include one year of verified experience and successful completion of the uniform certified accountant's examination. 193A IAC 3.1.

**Michigan:** Certification requirements in Michigan include the completion of a least 150 semester hours of college education including a baccalaureate degree or higher with a concentration in accounting. Mich. Admin. Code r. 338.5116 (1). For purposes of accreditation the Board recognizes the North Central Association of Colleges and Schools Commission on Institutions of Higher Education. Mich. Admin. Code r. 338.5115. Qualifying experience for certification includes 2,000 hours of experience within a period of not less than one calendar year and not more than 5 calendar years. Mich. Admin. Code r. 338.5117 (1).

**Minnesota:** The requirements for certification include the completion of one year of experience and 150 semester hours or 225 quarter hours at a college or university accredited by a recognized accrediting agency listed with the United States Department of Education, or an equivalent accrediting association. Minn. Stat. §3261.03 Subd.6 . Before taking the examination an applicant is required to have a "baccalaureate or higher degree, with a major in accounting or a major in business with accounting emphasis, or an equivalent education, from a college or university that is fully accredited by a recognized accrediting agency listed with the United States Department of Education or an equivalent accrediting association." Minn. Stat. §3261.03 Subd. 3.

**Summary of factual data and analytical methodologies:**

The methodologies used in drafting the proposed rule include comparing 2013 Wisconsin Act 21 and 2013 Wisconsin Act 210 with current administrative rules concerning accounting practice, reviewing statutes and administrative code from neighboring states, and obtaining feedback from members of the Accounting Examining Board.

Mike—

I will sit down with Senator Marklein regarding these concerns.

In the meantime, if it would be helpful to this process, giving DSPS a call would be a good idea.

I'll let you know once the senator decides how to move forward.

Thanks,

Crystal, just to follow up so you have something in writing, the link to the rule is here:  
[https://docs.legis.wisconsin.gov/code/chr/all/cr\\_15\\_002](https://docs.legis.wisconsin.gov/code/chr/all/cr_15_002) And to lay out potential concerns here:

1. If the rule were to move forward and the bill, with changes, were to move forward, it could get messy if the rule were promulgated and the bill were *both* passed and any conflict between the two existed. Not sure how likely this is, but depending on how things played out, it could theoretically happen.
2. Leg. Council appears to have had extensive comments on the rule, which do not appear to have been addressed.
3. A more general concern that we'd be usurping the role of the examining board, which began the process to promulgate this rule. As I said we've put changes to the admin. code in bills in the past and I'm not saying we can't do it, but I don't think we've ever drafted a bill that incorporated a rule already in-progress and so I'd want to be cautious in this circumstance.

So, in sum, it might be good to know, if possible, whether there is a reason the board hasn't submitted the final rule to the legislature and/or whether there are plans to do so before I dive into putting the whole rule into the bill.

I am happy by the way to give DSPS a call, confidentially if you'd like, to ask about the status of this rule.

Thanks,

Mike—

Sorry I forgot to tell you... you are correct in that the research of the CLE requirements would be a one-time non-statutory provision. Could we make the deadline to submit the report to the legislature by December 31, 2016?

Thanks,  
Crystal

OK. I had someone put the rule into bill format and have begun going through it, the other document, and the Leg. Council comments.

Also, let me know about the part of the draft regarding researching CLE requirements. We had discussed that this should perhaps be like a one-time research assignment that would not need to be put into the statutes (it could be a one-time, nonstatutory provision). My thought was to require the research and to for them to issue a report and for DSPS to put that report on its Web site and/or have them submit that report to the legislature. If you have further thoughts on that (including how long they'd have to do it), let me know, but unless it's going to be an ongoing requirement, that provision should probably not be in the statutes.

Mike—

I hope all is well with you. Senator Marklein would like to revisit the LRB 1813 draft.

I've attached a few things that Senator Marklein has requested be incorporated into LRB 1813:

1. The most recent draft of Senator Marklein's bill from earlier this year (that would reinstate the Accounting Examining Board's prior authority to specify courses required to take the CPA exam) and also authorize the Board to study a mandatory CPE requirement for Wisconsin CPA license renewal,
2. The final version of the Accy rules update that the Board spent a year updating (including a public hearing) to more closely align with provisions of the Uniform Accountancy Act and related regulations adopted by other states, and
3. The proposed changes to reflect the specific college courses recommended by the Board to be required to take the CPA exam in Wisconsin.

Please let me know if you have any questions.

Thanks for all your work on this.

Have a good night,

LRB-1813/P2

**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION**

1     **AN ACT to renumber** 442.083; **to amend** 442.04 (5) (b) 4.; and **to create** 442.083  
2           (2) of the statutes; **relating to:** continuing education requirements for certified  
3           public accountants.

---

***Analysis by the Legislative Reference Bureau***

Under current law, the Accounting Examining Board (board) licenses certified public accountants in Wisconsin. Current law does not contain specific continuing education requirements for certified public accountants licensed by the board. This bill requires the board to research the feasibility of rules establishing such continuing education requirements. The bill also specifies that the 120 credit hours required to sit for the accountant licensure exam must be with a concentration in accounting or its reasonable equivalent.
