Hi Zack,

I am hearing the Assembly will be taking up Senate Sub Amendment 1 to SB 434 tomorrow instead of AB 561. Could you draft these same 2 amendments below for SSA 1?

Thanks,
Grace

Yep, not a problem. Do you want these as two separate amendments?

Zack,

Could you draft the following amendments to AB 561 (re: Managed Forestry Law changes) for us?

- 1). Remove the sections in 77.01(1)(b) and 77.86(1)(b) that list additional qualifications under which the department would be prohibited from prescribing the amount of forest products to be cut. Go back to current law (2015).
- 2). Delete the provision in 77.82(11) that requires departmental notification to all enrollees of changes in law and forces enrollees to choose between accepting changes or withdrawal from the program. Retain current law.

If possible, it would be great to have these today or tomorrow. I know this is a very busy week for all of us, though, so just let me know if that won't work.

Thank you!
Grace
