Task force on issues concerning service members returning home from war					

Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill 183 establishes a task force of limited duration to consider issues and concerns facing service members returning from overseas deployments in combat zones and hazardous duty areas. Within six months of its first meeting, the Task Force is required to submit a report to the legislature and governor that includes recommendations on steps Wisconsin should take to address the issues and concerns identified by the task force.

The initial task force should have no fiscal effect on the WTCS, outside of some staff resources to serve on the task force and respond to task force requests for information.

Long-Range Fiscal Implications

If the Legislature acts on possible recommendations that may come from the task force, there could be potential long-range cost to WTCS.
