Description Resident fees for nonresident veterans and eligible spouses and children enrolled in the University of Wisconsin System or a technical college					

Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Board of Regents, for purposes of determining the date of enrollment of a student under federal law relating to resident tuition for nonresident veterans, to consider the date of enrollment at a UW System institution to be the date on which the student's academic fees deposit or tuition deposit is received.

This will not result in a fiscal impact on the UW System because the Board has already taken action on this matter. On February 6, 2015, the UW System Board of Regents provided guidance to institutions related to the Federal Veterans Access, Choice and Accountability Act of 2014 ("Choice Act").

The guidance defined:

"...initial enrollment as equivalent to the date of matriculation (the date on which students may first register for classes) or the date of a paid enrollment deposit, whichever is earlier for qualifying students."

Long-Range Fiscal Implications

None.
