Fiscal Estimate Narratives

WEDC 8/12/2015

LRB Number	15-2773/1	Introduction Number	AB-0304	Estimate Type	Original
Description Making companies that outsource jobs ineligible for state tax benefits, grants, and loans, providing an exemption from rule-making procedures, and granting rule-making authority					

Assumptions Used in Arriving at Fiscal Estimate

AB-304 creates the Wisconsin Job Development and Retention Commission ("commission") within the Department of Workforce Development and directs the commission to promulgate rules ("rules") that would cause a person who operates or intends to operate a business in this state and who outsources work from this state to another state or country to be ineligible to receive any grants or loans from a state agency, tax exemptions, credits, deductions or exclusions for a period of five years following the year in which the commission determines that the person has outsourced work to another state or country.

Until the commission promulgates the rules for implementing and administering these provisions, the fiscal impact to WEDC is indeterminate.
