<b>Description</b> Listing frac sand mining as a conditional or prohibited use in certain types of zoning ordinances					

### Assumptions Used in Arriving at Fiscal Estimate

The bill requires a local unit of government that enacts a zoning ordinance that relates to agricultural use to list frac sand mining as a conditional use. Likewise, it requires a local unit of government that enacts a zoning ordinance that relates to residential use to list frac sand mining as a prohibited use.

### Local Fiscal Impact

The Department is unable to accurately estimate the fiscal impact of these zoning ordinance changes on local units of government.
