

Fiscal Estimate Narratives

DOJ 12/14/2015

LRB Number	15-2920/1	Introduction Number	SB-248	Estimate Type	Original
Description Strip searches of certain detained persons					

Assumptions Used in Arriving at Fiscal Estimate

Senate Bill 248 would change the guidelines for conducting a strip search for persons arrested or detained, but not arrested for a felony or for certain misdemeanors. Current law allows strip searches, but under SB 248, this would remove that provision. It is not expected that there would be any fiscal impact to the Department of Justice if this Bill is enacted into law.
