Description Increasing prison terms upon conviction for gang-related crimes and creating a criminal penalty					

Assumptions Used in Arriving at Fiscal Estimate

This bill creates an enhanced penalty for those convicted of a crime determined to be gang-related.

Should this bill be enacted, prosecutors envision an increased workload because defendants will undoubtedly challenge the claim that their activities were gang-related. Due to uncertainty about how many cases could be covered by this provision, a fiscal estimate is indeterminate.

Long-Range Fiscal Implications

A long-range fiscal estimate is indeterminate.
