Fiscal Estimate Narratives

Description Possessing a weapon on a motor bus used for public transit and providing a criminal penalty					

Assumptions Used in Arriving at Fiscal Estimate

Under current law, a person may carry a weapon that is not concealed. An individual who has a license to carry a concealed weapon may take the weapon into any area except excluded areas.

Under this bill, it will be a Class I felony to possess, with certain exceptions, a weapon on a motor bus that is used for public transit. Only a person who is a current or former law enforcement officer or a game warden may possess a weapon on a bus that is used for public transit.

Prosecutors anticipate there could be violations of this law, should it be enacted; however, there is insufficient data to indicate how many violations could occur and the potential impact on prosecutors' workloads. Consequently, a fiscal estimate is indeterminate.

Long-Range Fiscal Implications

As stated above, should this bill be enacted, a long-term fiscal impact is indeterminate.
