Description Administrative subpoena for investigating Internet crimes against children, creating an Internet crimes against children surcharge, and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

Under AB 666, new surcharges would be imposed to create an internet crimes against children surcharge. This would be \$20 for each misdemeanor and \$40 for each felony conviction. Based on an average of convictions from 2012 to 2014, this would increase revenue by \$1,120,960 for each misdemeanor conviction and \$1,196,380 for each felony conviction. However, some surcharge assessments are not paid. Assuming 70% are paid, this would increase revenues by a total of \$1,622,138 annually.
