

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2015 Wisconsin Act 160
[2015 Assembly Bill 651]

**Vehicle Monitoring and
Feedback Devices**

2015 Wisconsin Act 160 allows a person to operate a vehicle that has a monitoring and feedback device mounted to the front windshield if all of the following apply:

- The device is designed to monitor the vehicle and provide feedback to the operator for the purpose of safety or improving vehicle operation.
- The device is mounted directly above, behind, or below the rearview mirror¹ or, if no mirror is present, at the location where the mirror would typically be mounted.
- The device is mounted in a manner consistent with applicable federal requirements if the vehicle is a commercial motor vehicle.

Effective date: Act 160 took effect on March 2, 2016.

Prepared by: Michael Queensland, Staff Attorney

April 11, 2016

MQ:mcm;jal

¹ In this Memo, “rearview mirror” refers to the mirror required under s. 347.40, Stats. This law prohibits a person from operating a motor vehicle on a highway unless the vehicle is equipped with a mirror so located as to reflect to the operator a view of the roadway for a distance of 200 feet to the rear of the vehicle.

This memo provides a brief description of the Act. For more detailed information, consult the text of the law and related legislative documents at the Legislature’s Web site at: <http://www.legis.wisconsin.gov>.
