

## WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

**2015 Wisconsin Act 185**  
[2015 Senate Bill 276]

**Use of UW-System Parking Fees  
and Fines**

Current law requires that parking fines or fees collected by a University of Wisconsin (UW) institution must be used to enforce parking regulations or to develop and operate parking or transportation facilities at the UW institution where the fines or fees were collected.

2015 Wisconsin Act 185 allows parking fines or fees to be used for any campus safety or transportation-related program developed or operated at the institution where the fines or fees are collected. The Act also prohibits the building commission from authorizing any general fund supported borrowing to aid in the construction of parking facilities at any UW institution.

*Effective date:* March 2, 2016
