

## WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

**2015 Wisconsin Act 296**  
[2015 Senate Bill 550]

**Special Registration Plates for  
Milwaukee Bucks Supporters**

2015 Wisconsin Act 296 creates a special vehicle registration plate for people wanting to express support for the Milwaukee Bucks. Such plates would cost an extra \$15 for issuance, and, in addition to the regular vehicle registration fee, would require an annual payment of \$25. For 20 years, 80% of the revenue generated from these annual \$25 payments will be deposited into the state's general fund, to reimburse the state for its contributions to the planned new Bucks arena, and 20% will go to the Milwaukee Bucks Foundation. After the first 20 years, 100% of the voluntary payment will go to the Milwaukee Bucks Foundation.

The Department of Transportation may begin to issue these plates after it has received a contribution to cover the amount of initial costs of production.
