

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2015 Wisconsin Act 338
[2015 Assembly Bill 722]

**School and School District
Accountability Reports**

2015 Wisconsin Act 338 requires any public school that maintains a website to post a prominent link to its most recent accountability report, published under s. 115.385, Stats., on the school website within 30 days after the report is released by the Department of Public Instruction. The requirement applies to any public school, including a charter school, and to any private school participating in a parental choice program.
