*Memo published:* February 1, 2016

2015 Assembly Bill 742 requires the Department of Workforce Development (DWD), as part of its Fast Forward workforce training program, to provide coordination between institutions of higher education and employers to increase the number of students who are placed with employers for internships.

Assembly Bill 742 appropriates \$200,000 general purpose revenue (GPR) to DWD, and increases DWD's authorized full-time equivalent positions by 2.0 positions, to provide the coordination described above.

### **ASSEMBLY AMENDMENT 3**

Assembly Amendment 3, in effect, transfers \$200,000 GPR from the existing appropriation for Fast Forward grants and services to the internship program created by the bill. As a result, no new funds are appropriated for the internship program.
