<i>Memo published: April 23, 2015</i>	<i>Contact: Brian Larson, Staff Attorney (608) 266-0680</i>

2015 Senate Bill 47 changes the timeframe in which a municipal clerk must respond to a request for an absentee ballot.

2015 SENATE BILL 47

Under **current law**, when an elector has requested an absentee ballot from a municipal clerk in accordance with requirements specified in the statutes, the clerk must send an official absentee ballot to the elector:

- No later than the 47th day before each partisan primary and general election, if the request is made before that day.
- No later than the 21st day before each other primary and election, if the request is made before that day.
- And, in all other cases, within one day of the receipt of the request.

The **bill** provides that the clerk must respond to a request for an absentee ballot no later than one business day after receipt of the request.

SENATE SUBSTITUTE AMENDMENT 1

The **amendment** provides that current law would remain in place with respect to requests made prior to the 47th day before a partisan primary or general election, or the 21st day before each other primary or election. The amendment also specifies that, in all other cases, a municipal clerk must send an official absentee ballot within one *business* day of the receipt of the request,

as opposed to one *day* under current law. A “business day” is defined as any day from Monday to Friday, not including a legal holiday.

BILL HISTORY
