### **2015 SENATE BILL 707**

2015 Senate Bill 707 prohibits a legislator from holding office as a legislator concurrently with holding office as a county executive. The bill does not provide any exceptions to that prohibition.

### **SENATE AMENDMENT 1**

Senate Amendment 1 modifies the prohibition created under the bill to allow a person to serve as a legislator and county executive concurrently for a limited time immediately following an election. Specifically, under the substitute amendment, no member of the legislature may hold office as a legislator concurrent with holding office as a county executive for more than 60 days following certification of the election for either office.

### **BILL HISTORY**

Senator Fitzgerald offered Senate Amendment 1 on February 16, 2016. On the same day, the Senate adopted the amendment on a vote of Ayes, 21; Noes, 11.
