Analysis by the Legislative Reference Bureau

Presently, a voter in a partisan primary election may cast a ballot or vote in the column of only one major political party, regardless of the number of candidates who are running for office in that party, if any. Similarly, a voter in a partisan primary may vote for any of the independent candidates for state office, but if the voter chooses this option, he or she may not vote for any party candidates for any office. (Candidates of minor parties appear on the ballot as independent candidates.)

This bill permits a voter in a partisan primary to “split tickets,” designating the candidate of his or her choice for each office, including the offices of governor and lieutenant governor, regardless of party affiliation. The bill also allows a voter to vote for independent candidates for one or more state offices in a partisan primary, in addition to party candidates for one or more state or county offices. Under the bill, a voter may still vote for only one candidate for each office. The voting procedure at
the general election and other partisan elections is unaffected by the bill. The bill initially applies to voting at the 2016 partisan primary election.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

5.62 (2) (a) Except as provided in par. (b) and s. 5.64 (1) (e) 2., any political
organization may be represented on a separate primary ballot or in one or more
separate columns or rows on the partisan primary ballot as prescribed in sub. (1) (a) and in a separate column or row on the general election ballot in every ward and election district. To qualify for a separate ballot column or row under this paragraph, the political organization shall, not later than 5 p.m. on April 1 in the year of the partisan primary, file with the board a petition requesting separate ballot status. The petition shall be signed by at least 10,000 electors, including at least 1,000 electors residing in each of at least 3 separate congressional districts. The petition shall conform to the requirements of s. 8.40. No signature obtained before January 1 in the year of filing is valid. When the candidates of a political organization filing a valid petition fulfill the requirements prescribed by law, they shall appear on a separate ballot or in one or more separate columns or rows on the ballot for the period ending with the following general election.

(a) but does not qualify under this paragraph. The ballot shall include the name of each party qualifying for a separate ballot or one or more separate columns or rows on the ballot under each office, with the names of the candidates for each such

equipment tested to ascertain that it will correctly count the votes cast for all offices
and on all measures. Public notice of the time and place of the test shall be given by
the clerk at least 48 hours prior to the test by publication of a class 1 notice under
ch. 985 in one or more newspapers published within the municipality if a newspaper
is published therein, otherwise in a newspaper of general circulation therein. The
test shall be open to the public. The test shall be conducted by processing a
preaudited group of ballots so marked as to record a predetermined number of valid
votes for each candidate and on each referendum. The test shall include for each
office one or more ballots which have votes in excess of the number allowed by
law and, for a partisan primary election, one or more ballots which have votes cast
for candidates of more than one recognized political party, in order to test the ability
of the automatic tabulating equipment to reject such votes. If any error is detected,
the municipal clerk shall ascertain the cause and correct the error. The clerk shall
make an errorless count before the automatic tabulating equipment is approved by
the clerk for use in the election.

SECTION 11. 5.91 (1) and (3) of the statutes are amended to read:

5.91 (1) It enables an elector to vote in secrecy and to select the party for which
an elector will vote in secrecy at a partisan primary election.

(3) Except in primary elections, it enables an elector to vote for a ticket
selected in part from the nominees of one party, and in part from the nominees of
other parties, and in part from independent candidates and, except in the case of
independent candidates at primary elections, in part of from candidates whose
names are written in by the elector.
SECTION 12. 5.91 (6) of the statutes is repealed.

SECTION 13. 6.80 (2) (am) of the statutes is amended to read:

6.80 (2) (am) In partisan primaries, an elector may vote for a person as the candidate of the party of the elector’s choice, if that person’s name does not appear on the official ballot of that party, by writing in the name of the person in the space provided on the ballot or the ballot provided for that purpose, or where voting machines are used, in the irregular ballot device, designating the party for which the elector desires such person to be the nominee.

SECTION 14. 6.80 (2) (f) of the statutes is amended to read:

6.80 (2) (f) In the presidential preference primary and other partisan primary elections at polling places where ballots are distributed to electors, unless the ballots are prepared under s. 5.655 or are utilized with an electronic voting system in which all candidates appear on the same ballot, after the elector prepares his or her ballot the elector shall detach the remaining ballots, fold the ballots to be discarded and fold the completed ballot unless the ballot is intended for counting with automatic tabulating equipment. The elector shall then either personally deposit the ballots to be discarded into the separate ballot box marked “blank ballot box,” and deposit the completed ballot into the ballot box indicated by the inspectors, or give the ballots to an inspector who shall deposit the ballots directly into the appropriate ballot boxes. The inspectors shall keep the blank ballot box locked until the canvass is completed and shall dispose of the blank ballots as prescribed by the municipal clerk.

SECTION 15. 6.87 (4) (b) 1. of the statutes is amended to read:

6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the elector voting absentee shall make and subscribe to the certification before one witness who is an adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the
ballot in a manner that will not disclose how the elector’s vote is cast. The elector shall then, still in the presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the ballot on which the elector’s votes are cast. Return of more than one marked ballot in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an electronic voting system in a primary which is marked for candidates of more than one party invalidates all votes cast by the elector for candidates in the primary.
