Analysis by the Legislative Reference Bureau

This bill makes various changes in laws relating to voter registration and proof
of residence for voting. Currently, with the exception of individuals who are defined
as “military electors” under state law and new or former residents voting for
president and vice president, all eligible electors of this state must register in order
to vote in an election in this state. The registration period for each election ends on
the 20th day before that election, but an eligible elector may register to vote in an
election after that date at the office of the municipal clerk or board of election
commissioners of the municipality where he or she resides or at the polling place
serving his or her residence by providing specified proof of residence. In order to
register, an individual must provide his or her name, residence location, citizenship, date of birth, age, and the number of a valid Wisconsin driver’s license or the last four digits of his or her social security number. An individual must also affirm that he or she: 1) has resided in his or her ward (or municipality if not divided into wards) for at least 28 consecutive days; 2) has not been convicted of a felony for which he or she has not been pardoned and has not completed his or her sentence; 3) is not disqualified on any other ground from voting; and 4) is not registered to vote at any other location. The burden is on the elector to initiate registration and, if the elector’s name, address, or eligibility changes, to initiate any change in registration required to maintain a valid registration.

This bill makes it the responsibility of the Government Accountability Board (GAB) to use all feasible means to facilitate the registration of all eligible electors of this state who are subject to a registration requirement and to maintain the registration of all eligible electors for so long as they remain eligible, except as the law specifically requires electors to take some action to continue their registrations. Under the bill, GAB must attempt to facilitate the initial registration of all eligible electors in accordance with the bill’s requirements and procedures no later than July 1, 2021. To assist with its responsibility, the bill directs GAB and the Department of Transportation (DOT) to enter into an agreement for the purpose of transferring specified personally identifiable information in DOT’s records to GAB. The bill requires GAB to maintain the confidentiality of any information that GAB obtains under the agreement and allows a driver’s license or identification card applicant to “opt out” of DOT’s transfer of this information to GAB. Under the bill, once GAB obtains all the information required under current law to complete an elector’s registration, GAB adds the elector’s name to the statewide registration list. The information then becomes accessible on the Internet. The bill also permits an individual whose name is added to the registration list by GAB or who wishes to permanently exclude his or her name from the list to file a request to have his or her name deleted or excluded from the list or to revoke a deletion or exclusion request previously made. A deletion or exclusion request or revocation of a deletion or exclusion request may be made in the manner prescribed by GAB. In addition, the bill directs GAB to notify an individual by first class postcard whenever GAB removes his or her name from the registration list or changes his or her status on the list from eligible to ineligible, other than by request of the elector, except when GAB removes a duplicate entry from the list or changes the name of a deceased person from eligible to ineligible status.

In addition, the bill permits a qualified elector who has a current and valid driver’s license or identification card issued by DOT to register to vote at an election electronically on a secure Internet site maintained by GAB. The bill requires an electronic registration to be completed no later than the 20th day before an election in order to be valid for that election. Under the bill, a qualified elector enters the same information that appears on the current registration form and authorizes DOT to forward a copy of his or her electronic signature to GAB. The authorization affirms that all information provided by the elector is correct and has the same effect as if the elector signed the form personally. The bill also permits an elector who is
currently registered to vote and who has a current and valid driver’s license or identification card to electronically enter a change of name or address using a similar procedure. In accordance with the existing procedure for verifying registrations that are not received at the office of the municipal clerk or board of election commissioners, the bill provides that when an electronic registration is received, GAB or the clerk or board of election commissioners of the elector’s municipality of residence must verify each electronic registration by sending a first class letter or postcard to the registrant at the registrant’s address. Except as otherwise permitted under the bill, if the registrant is voting for the first time in an election in this state, the registrant must provide proof of residence before voting in the election. The bill creates one exception which provides that, if an elector who registers electronically provides his or her Wisconsin driver’s license number, together with his or her name and date of birth, and GAB is able to verify the information electronically at the time of registration by electronically accessing DOT’s records, the elector need not provide proof of residence prior to voting. The bill directs GAB and DOT to enter into an agreement that permits GAB to verify the necessary information instantly by accessing DOT’s electronic files.

Currently, each municipal clerk and board of election commissioners must maintain a file of voter registration forms for the electors of the municipality. This bill provides that the clerk or board must maintain registrations that are entered electronically in the manner prescribed by GAB, by rule.

The changes with respect to electronic registration first apply with respect to registration for voting at the first spring or partisan primary election that follows the day on which the bill becomes law by at least six months.

Currently, with certain exceptions, if an elector registers to vote by mail and has not voted in an election in this state, the elector must provide proof of residence prior to voting. This bill extends this requirement to apply to an elector whose registration is initiated by GAB but who has not voted in an election in this state. The bill also provides that if such an elector provides his or her Wisconsin driver’s license number or the last four digits of his or her social security number, together with his or her name and date of birth, and GAB is able to instantly verify the information electronically by electronically accessing records of DOT, the elector need not provide proof of residence before voting.

The bill directs GAB to report to the appropriate standing committees of the legislature, no later than July 1, 2017, concerning its progress in initially implementing the registration system created by the bill. The report must contain an assessment of the feasibility and desirability or integration of registration information with information maintained by the departments of health services, children and families, workforce development, revenue, regulation and licensing, and natural resources, the University of Wisconsin System, and the State Technical College System Board, as well as with the technical colleges in each technical college district.

Currently, the legislature has made appropriations to GAB for the operation of GAB in the current fiscal biennium. This bill does not change these appropriations. However, the bill provides that before GAB may encumber or expend any amount of
money to implement or administer any provision of the act resulting from enactment of this bill, GAB’s legal counsel must first notify the cochairpersons of the Joint Committee on Finance of the proposed encumbrance or expenditure. The proposed encumbrance or expenditure is then subject to approval of or modification by the committee, but the committee may waive its right to review any proposed encumbrance or expenditure.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

(7) and as otherwise expressly provided, the board shall use all feasible means to facilitate the registration of all eligible electors of this state who are subject to a registration requirement and the maintenance of the registration of all eligible electors for so long as they remain eligible.

(2) Subject to s. 343.14 (2p) (b), for the purpose of carrying out its functions under sub. (1), the board shall obtain the following information from the department of transportation, to the extent that the department has the information:

If the board finds discrepancies between the information obtained under sub. (2) regarding an elector and the information in the registration list under s. 6.36 (1) (a) regarding that same elector, the board shall contact the elector by mail or telephone or in person to resolve the discrepancies. If the board is able to resolve the discrepancies after contacting the elector, the board shall update the information on the registration list. If the board is unable to contact the elector, the board shall resolve any discrepancies in favor of the information in the registration list.

(4) Except as provided in this subsection and sub. (7), if the board concludes that an individual appears eligible to vote in this state but is not registered, and the board has obtained from reliable sources all the information required under s. 6.33 (1) to complete the individual's registration, the board shall enter the individual's name on the registration list. If the board has not obtained from reliable sources all the information pertaining to an individual that is required under s. 6.33 (1), the board shall attempt to obtain from reliable sources the necessary information under s. 6.33 (1) that is required to complete the individual's registration. If a municipality has changed the status of an elector from eligible to ineligible under s. 6.50 (1) and the elector's eligibility, name, or residence have not changed, the board shall not change the individual's name to eligible status unless the board first verifies that the individual is eligible and wishes to change his or her status to eligible.

A request for exclusion or deletion shall be filed in the manner prescribed by the board. An individual who files an exclusion or deletion request under this subsection may revoke his or her request by the same means that an individual may request an exclusion or deletion. The board shall ensure that the name of any individual who has filed an exclusion or deletion request under this subsection is excluded from the registration list or if the individual’s name appears on the list, is removed from the registration list and is not added to the list at any subsequent time unless the individual files a revocation of his or her request under this subsection.

(8) If the board removes from the registration list the name of an elector who does not request that his or her name be deleted, other than to correct an entry that the board positively determines to be a duplication or to change the name of an individual who is verified to be deceased to ineligible status, the board shall mail the individual a notice of the removal or change in status by 1st class postcard at the individual’s last-known address. The notice shall provide that the individual may apply to have his or her status changed to eligible if he or she is a qualified elector.

(9) The board shall attempt to facilitate the initial registration of all eligible electors, except as otherwise provided in this section, no later than July 1, 2021.
(10) The board shall maintain the confidentiality of all information obtained from the department of transportation under sub. The clerk shall verify that the name on any required proof of identification presented by the agent conforms to the name on the elector’s application. The clerk shall then enter his or her initials on the carrier envelope indicating that the agent presented proof of identification to the clerk. The agent is not required to enter a signature on the registration list. The ballot shall be sealed by the elector and returned to the municipal clerk either by mail or by personal delivery of the agent; but if the ballot is returned on the day of the election, the agent shall make personal delivery to the
polling place serving the hospitalized elector’s residence before the closing hour or, in municipalities where absentee ballots are canvassed under s. 7.52, to the municipal clerk no later than 8 p.m. on election day.

**SECTION 25.** 6.87 (4) (b) 1. of the statutes is amended to read:

6.87 (4) (b) 1. Except as otherwise provided in ss. 6.34 (2m) and 6.875, the elector voting absentee shall make and subscribe to the certification before one witness who is an adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the ballot in a manner that will not disclose how the elector’s vote is cast. The elector shall then, still in the presence of the witness, fold the ballots so each is separate and so that the elector conceals the markings thereon and deposit them in the proper envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. **Proof Except as authorized in s. 6.34 (2m), proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail or by electronic application and has not voted in an election in this state.** If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the
elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the ballot on which the elector’s votes are cast. Return of more than one marked ballot in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an electronic voting system in a primary which is marked for candidates of more than one party invalidates all votes cast by the elector for candidates in the primary.

**SECTION 26.** 7.08 (1) (c) of the statutes is amended to read:

7.08 (1) (c) Prescribe forms required by ss. 6.24 (3) and (4), 6.30 (4) and (5), 6.33 (1), 6.40 (1) (a), 6.47 (1) (am) 2. and (3), 6.55 (2), and 6.86 (2) to (3). All such forms shall contain a statement of the penalty applicable to false or fraudulent registration or voting through use of the form. Forms are not required to be furnished by the board.

**SECTION 27.** 7.08 (1) (cm) of the statutes is created to read:

SECTION 29. 343.027 of the statutes is amended to read:

343.027 Confidentiality of signatures. Any signature collected under this chapter may be maintained by the department and shall be kept confidential, except that the department shall release a signature or a facsimile of a signature to the department of revenue for the purposes of administering state taxes and collecting debt, to the government accountability board, in electronic or digital format, for the purposes specified in s. 6.30 (5), to the person to whom the signature relates, to a court, district attorney, county corporation counsel, city, village, or town attorney, law enforcement agency, or to the driver licensing agency of another jurisdiction.

SECTION 30. 343.14 (2p) of the statutes is created to read:

343.14 (2p) (a) The forms for application for a license or identification card or for renewal thereof shall inform the applicant of the department’s duty to make available to the government accountability board the information described in s. 6.256 (2) for the purposes specified in s. 6.256 (1) and (3) and shall provide the applicant an opportunity to elect not to have this information made available for these purposes.

(b) If the applicant elects not to have the information described in s. 6.256 (2) made available for the purposes specified in s. 6.256 (1) and (3), the department shall
not make this information available for these purposes. This paragraph does not
preclude the department from making available to the government accountability
board information for the purposes specified in s. 6.34 (2m) or for any purpose other
than those specified in s. 6.256 (1) and (3).

(1) PROGRESS REPORTS ON IMPLEMENTATION. No later than the 20th day following
the end of each calendar quarter, the government accountability board and the
department of transportation shall each report to the appropriate standing
committees of the legislature in the manner provided in section 13.172 (3) of the
statutes concerning its progress in implementing an electronic voter registration
system. The board and department shall continue to file reports under this
subsection until the board determines that implementation is complete and the
performance of the system is satisfactory.

the elections division of the government accountability board pursuant to section
85.61 (1) of the statutes, as affected by this act, no later than the first day of the 4th
month beginning after the effective date of this subsection.

(3) REPORT ON VOTER REGISTRATION INFORMATION INTEGRATION. No later than July
1, 2017, the government accountability board shall report to the appropriate
standing committees of the legislature, in the manner specified in section 13.172 (3)
of the statutes, concerning its progress in initially implementing a system to ensure
the complete and continuous registration of all eligible electors in this state,
specifically including the operability and utility of information integration with the
department of transportation and the feasibility and desirability of integrating
public information maintained by other state agencies and by technical colleges with
the board’s registration information to enhance the completeness and accuracy of the
information. At a minimum, the report shall contain an assessment of the feasibility
and desirability of the integration of registration information with information
maintained by the departments of health services, children and families, workforce
development, revenue, regulation and licensing, and natural resources, the
University of Wisconsin System, and the technical college system board, as well as
the technical colleges within each technical college district.

(4) Review of expenditures made to implement this act.

(a) Notwithstanding section 20.511 of the statutes and all provisions of this act,
the government accountability board shall not encumber or expend any amount of
money to implement or administer this act unless the legal counsel to the board first
notifies the cochairpersons of the joint committee on finance in writing of the
proposed encumbrance or expenditure. If the cochairpersons do not notify the legal
counsel that the committee has scheduled a meeting for the purpose of reviewing the
proposed expenditure within 14 working days after the date of the legal counsel’s
notification, the board may encumber or expend the money as proposed. If, within
14 working days after the date of the legal counsel’s notification, the cochairpersons
notify the legal counsel that the committee has scheduled a meeting for the purpose
of reviewing the proposed encumbrance or expenditure, the board shall not make the
proposed encumbrance or expenditure unless the committee approves the proposed
encumbrance or expenditure or modifies and approves the proposed encumbrance or

expenditure, the board may make the proposed encumbrance or expenditure only as modified by the committee.

(b) Paragraph (a) does not apply after June 30, 2017.

(5) REQUIRED GENERAL FUND BALANCE. Section 20.003 (4) of the statutes does not apply to the action of the legislature in enacting this act.
