2 of Justice from special units maintained by law enforcement agencies.

Analysis by the Legislative Reference Bureau

This bill requires each law enforcement agency that maintains a special unit trained to deal with unusually violent or dangerous situations (commonly known as a SWAT team) to submit an annual report to the Department of Justice (DOJ). Under this bill, the report must contain certain information such as the number of times that the law enforcement agency deployed the team in the previous year, the reason and legal authority for the deployment, and the number of arrests made. This bill requires DOJ to submit to the legislature annually an analysis and summary of the reports from the law enforcement agencies and to post the analysis and summary on DOJ's Internet site.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
