AN ACT to amend 347.25 (3) of the statutes; relating to: lighting on vehicles in a funeral procession.

Analysis by the Legislative Reference Bureau

Under current law, the lead vehicle in a funeral procession may be equipped with a flashing amber light. Any vehicle in the procession may also be equipped with a flashing amber light if all vehicles in the procession are so equipped. A vehicle equipped with such a light may only use the light in the procession. Under this bill, vehicles permitted to be equipped with a flashing amber light may instead be equipped with a flashing purple light.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 347.25 (3) of the statutes is amended to read:

347.25 (3) The lead vehicle in a funeral procession may be equipped, or any vehicle in the procession may be equipped if all vehicles in the procession are so equipped, with a flashing amber or purple light that may be used only in the procession.
