AN ACT to create 118.60 (10m), 119.23 (10m) and 946.94 of the statutes; relating to: fraud in parental choice programs and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill subjects certain acts and omissions related to a Parental Choice Program (PCP) to criminal penalties. Under the bill, intentionally making a false statement or representation in an application to participate in a PCP is a Class A misdemeanor. The bill makes concealing or failing to disclose an event with an intent to fraudulently participate in a PCP or using a payment received under a PCP for an unauthorized purpose either a Class G or Class H felony, depending on the payment a person received under the PCP. Additionally, under the bill, a statement in a written application for a PCP is considered to be an admission of the existence, correctness, or validity of the statement. Finally, this bill authorizes the Department of Justice or a district attorney to prosecute violations of criminal laws affecting a PCP, including laws affecting the health, safety, and welfare of pupils attending a private school participating in a PCP.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.
