1 **AN ACT** *to create* 45.61 (2m) of the statutes; **relating to:** disposition of the
2 unclaimed cremated remains of veterans and their dependents.

Analysis by the Legislative Reference Bureau

This bill requires a funeral director, cemetery authority, or public officer having custody of unclaimed cremated remains to contact the Department of Veterans Affairs (DVA) or a county veterans service officer (CVSO) within 90 days after cremation to determine whether the cremated remains are of a veteran or other person eligible for burial at a veterans cemetery. If DVA or the CVSO determines that the cremated remains are of a veteran or other such person, the bill authorizes the funeral director, cemetery authority, or public officer to transfer the cremated remains to DVA for burial in a veterans cemetery. The bill also provides an exemption from civil liability for a person who transfers cremated remains to DVA under the bill, unless the transfer involves negligence or reckless, wanton, or intentional misconduct.
