2015 ASSEMBLY BILL 708

1 **AN ACT** to amend 46.03 (22) (a) and 46.48 (31); and to create 46.482 of the statutes; **relating to:** zoning for peer-run respite centers.

---

**Analysis by the Legislative Reference Bureau**

This bill creates a zoning exemption for peer-run respite centers. Under current law, certain community living arrangements for adults obtain special zoning permission. The bill includes peer-run respite centers as a community living arrangement for adults for zoning exemption purposes. For purposes of a zoning exemption, the peer-run respite center must do one of the following: 1) meet certain criteria as specified in the bill; 2) submit a letter of verification from the Department of Health Services (DHS) that the peer-run respite center meets the specified criteria; or 3) provide the zoning authority with documentation that the peer-run respite center receives a grant from DHS.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
