Analysis by the Legislative Reference Bureau

This bill modifies the teacher loan program to provide for loan forgiveness to certain teachers employed in school districts in rural counties.

Under current law, the Higher Educational Aids Board (HEAB) administers a teacher loan program for students who meet certain eligibility criteria, including enrollment in a program of study leading to a teacher's license in a teacher shortage field. Under the program, HEAB may award, to an eligible student, a loan of up to $10,000 annually for up to three years. HEAB must forgive 25 percent of the loan for each school year that the loan recipient 1) is employed in the city of Milwaukee as a full-time elementary or secondary school teacher in a high-demand, teacher shortage field; and 2) receives a teacher rating of proficient or distinguished.

This bill provides for loan forgiveness under the teacher loan program for teachers employed in school districts in rural counties, not only for those employed in the city of Milwaukee.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
