
Analysis by the Legislative Reference Bureau

Current law prohibits a person from possessing a firearm on the grounds of a school. A person who violates this prohibition is guilty of a Class I felony. Under this bill, a person who has a license to carry a concealed weapon may possess a firearm on the grounds of a school but is prohibited from possessing a firearm in a building on the grounds of a school if instruction is provided to students in the building and if the building has signs posted at all entrances that notify the licensee not to enter or remain in the building while possessing a firearm. A licensee who violates the prohibition is guilty of a Class A misdemeanor unless the licensee has a malicious intent, in which case the licensee is guilty of a Class I felony.
