February 2, 2016 – Introduced by Representative MURPHY. Referred to Committee on Colleges and Universities.

AN ACT relating to: modifying rules of the Board of Regents of the University of Wisconsin System regarding service of notice, updating outdated rules of the board, and providing for consistent capitalization of certain terms in the board’s rules.

Analysis by the Legislative Reference Bureau

This bill makes various changes to rules of the Board of Regents of the University of Wisconsin (UW) System. The bill revises several rules to allow certain types of notice to be served by electronic means in addition to the means allowed under the current rules, which are personal service and service by certified mail. The bill also eliminates an outdated provision in the rules regarding faculty holding appointments under a statutory law that was repealed in 1974. The bill modifies certain rules to be consistent with statutory changes made by the 2015 biennial budget act, 2015 Wisconsin Act 55. The act replaced the statutory term “classified staff” with “university staff.” The bill makes similar changes to the board’s rules. The bill also removes references in the rules to a statute regarding faculty tenure and probationary appointments that was repealed by the act.

In addition, the bill also modifies the rules to refer to the UW System’s 2-year schools as “colleges,” instead of the outdated term “centers.” Also, the bill modifies the rules to define “chancellor” as the chief executive officer of an “institution,” which is defined in a rule not affected by the bill as any university or an organizational
equivalent designated by the board. The bill also provides for capitalizing “Board of Regents” and “University of Wisconsin System” throughout the administrative code.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
