AN ACT to repeal 59.17 (2) (b) 3. a. to c. and 59.52 (31) (e); to renumber and amend 59.17 (2) (b) 3. (intro.); and to amend 59.52 (6) (intro.) and 59.52 (6) (a) of the statutes; relating to: reducing certain authority of the Milwaukee County executive in the area of land transactions and increasing certain authority of the Milwaukee County Board in that area.

Analysis by the Legislative Reference Bureau

With regard to certain land transactions in Milwaukee County, this bill requires that the county executive’s actions to sell or lease certain property must be consistent with county board policy and must be approved by the board before the actions may take effect. Under the bill, the board may only approve or reject the contract as negotiated by the county executive. Under current law, as affected by the 2015 state budget bill, Act 55, the county executive is empowered to engage in such land transaction in a way that does not need to be consistent with county board policy and could take effect without county board approval, subject to a limitation.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
